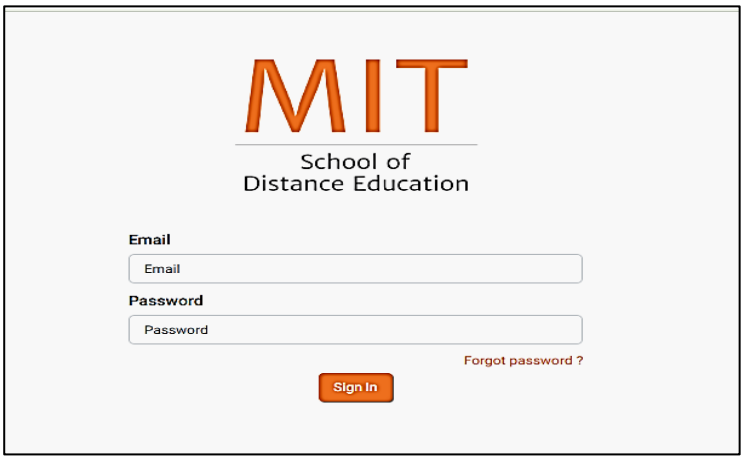
Application Form Guide

Step 1: Logging In and Updating Your Password

Once you receive system-generated email-id and temporary password, follow these steps to log in and update your credentials.

Process Overview:

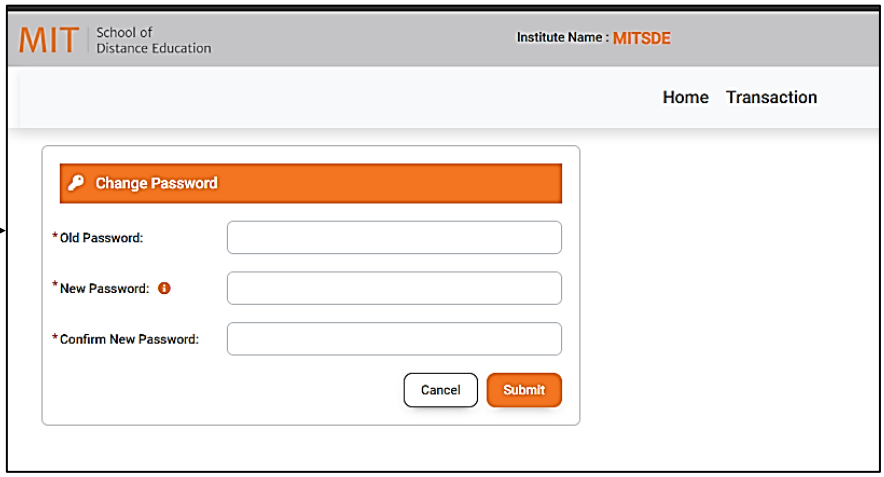
1. Visit the MITSDE Application Portal: https://mitpro.mitsde.com/
2. Enter your Email ID and System-Generated Password.
3. On your first login, you will be prompted to change your password for security purposes.
4. After setting a new password, the applicant must log in again using their updated credentials.
5. Once logged in, you gain access to the application form.



Important Notes:

- Choose a secure and memorable password.
- If you encounter login issues, use the "Forgot Password" option.
- Ensure that you have successfully logged in before proceeding.

Once you logged in using the system-generated password, you will be navigated to the reset password page, where you can update your password accordingly



Step 2: Filling in Your Personal Information

After logging in, you will be directed to the Student Information Page, where you must complete your personal details.

Process Overview:

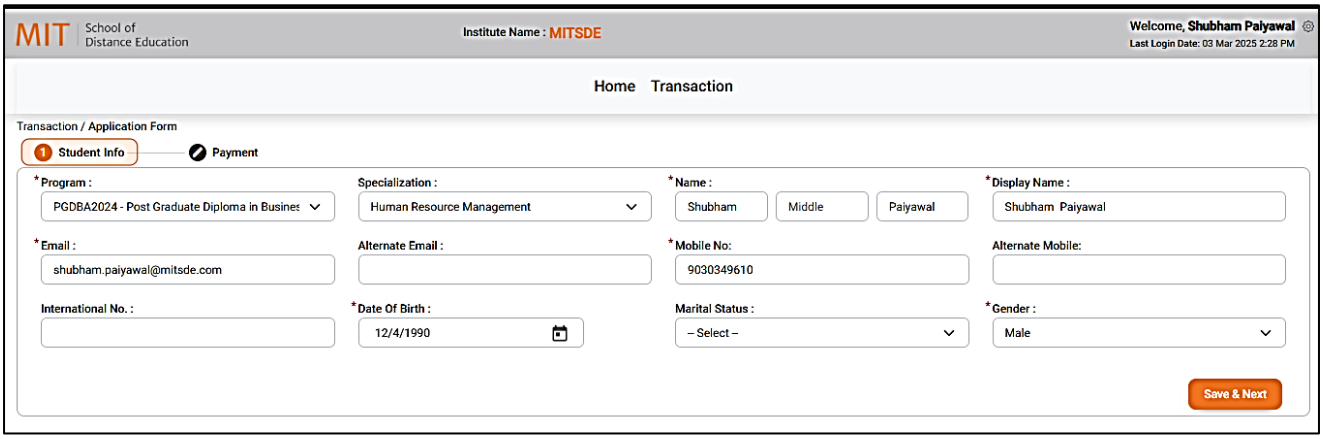
1. You are required to fill in the necessary details, including:
    - Program Selection
    - Specialization
    - Name

- Display name (Display Name refers to the name as per the last qualification certificate. This name will be printed on all semester grade sheets and the final certificate)
- Email ID (pre-filled)
- Mobile Number
- Date of Birth, Gender, Marital Status
- Alternate Contact Details (if applicable)

2. After entering all required details, you must click on **"Save & Next"** to proceed to the next step in the application process.

Important Notes:

- Ensure all information entered is accurate and complete.
- Fields marked with (*) are mandatory and must be filled before proceeding.
- In case of any errors, you should verify your details or contact support for assistance.

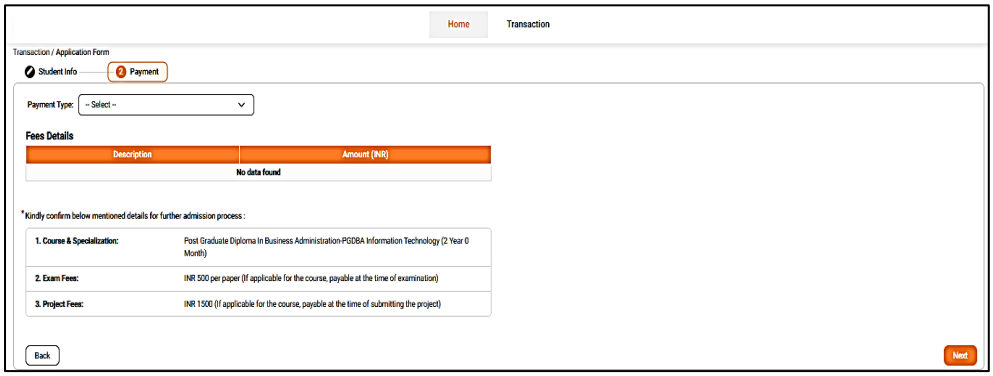


Step 3: Payment Selection

After completing the personal information section and clicking the "Save & Next" button you will be redirected to the Payment Page.

Process Overview:

1. You must select the preferred payment type from the available options in the Payment Type dropdown menu.
2. After reviewing the details, click the "Next" button to proceed with the payment process.



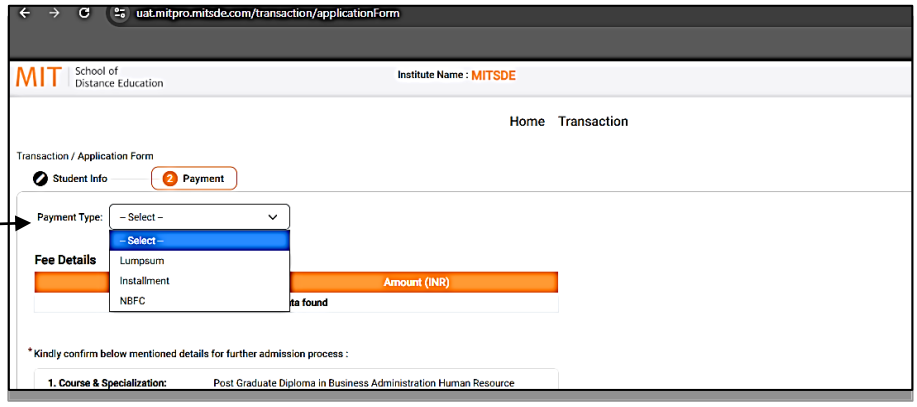
Important Notes:

- Ensure to review the fee structure before proceeding.
- Payment completion is mandatory to move ahead with the admission process.

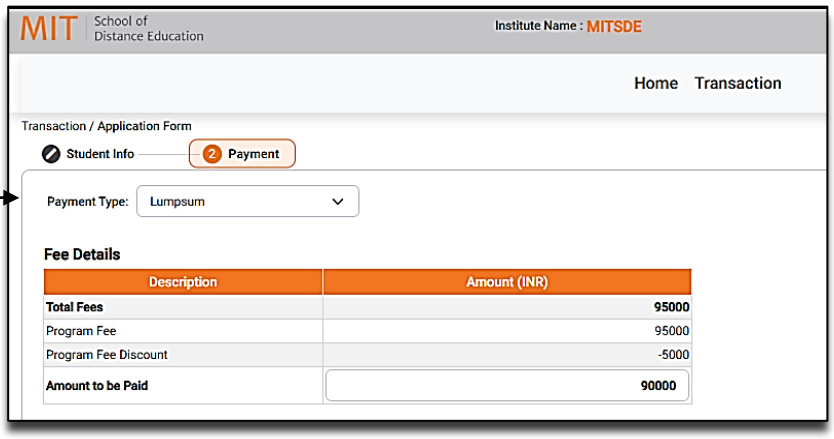
The **Payment Type** section provides three options:

- **Lumpsum**
- **Installment**
- **NBFC.**

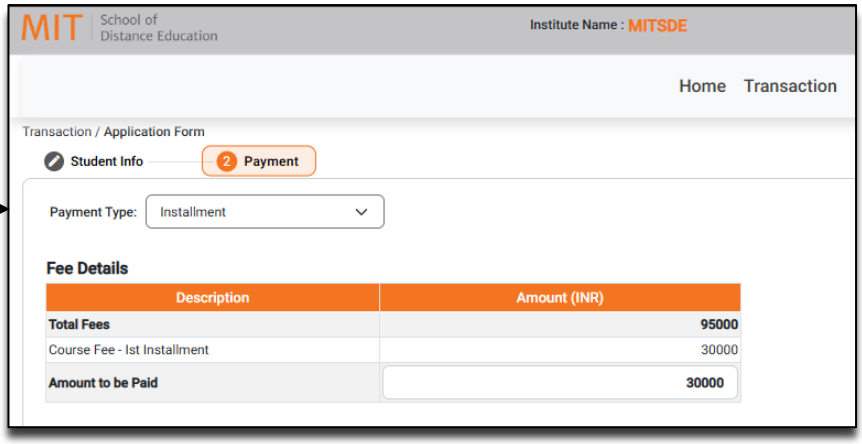
You can choose your preferred payment method from the dropdown menu before proceeding with the next steps.



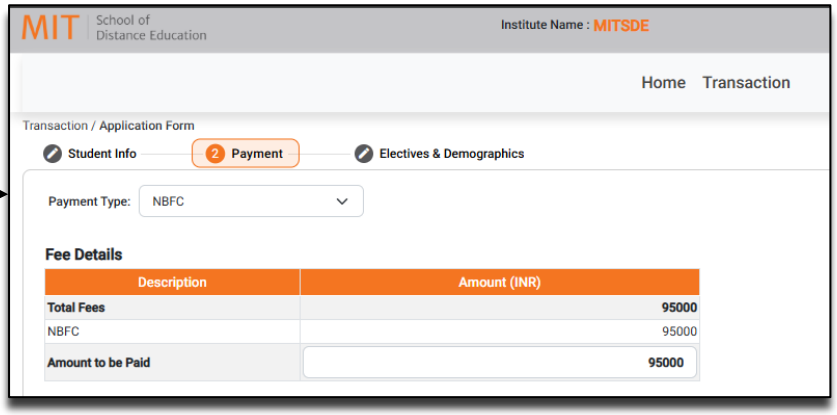
If you select the **Lump Sum** payment option, a detailed fee structure will be displayed, including the **Total Fees, Program Fee, any applicable Program Fee Discount, and the Final Amount to be Paid.**

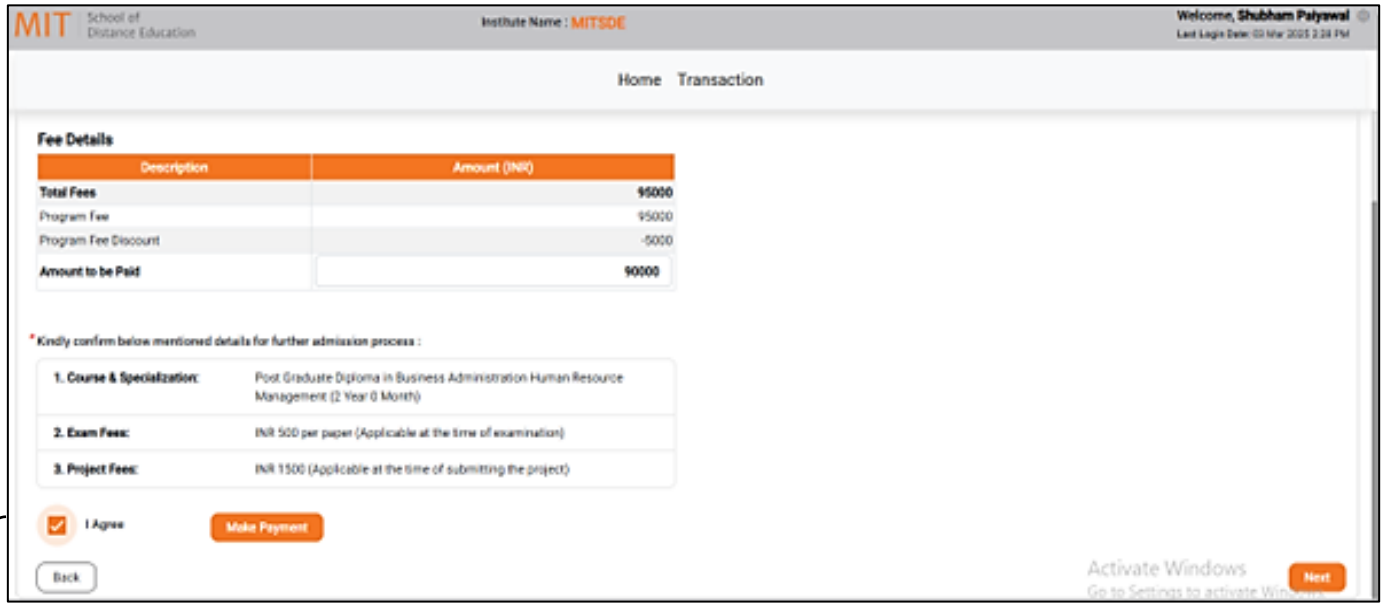


If you select the **Installment** payment option, the fee details will display the **Total Fees, the First Installment Amount to be Paid and the remaining installments to be paid.**



If you select the **NBFC** payment option, the fee details will display the **Total Fees along with the NBFC financing details.**





After selecting the appropriate payment option, you must tick the **"I Agree"** checkbox and then click on the **"Make Payment"** button to proceed with the payment process.

Step 4: Redirected to Payment Gateway Page

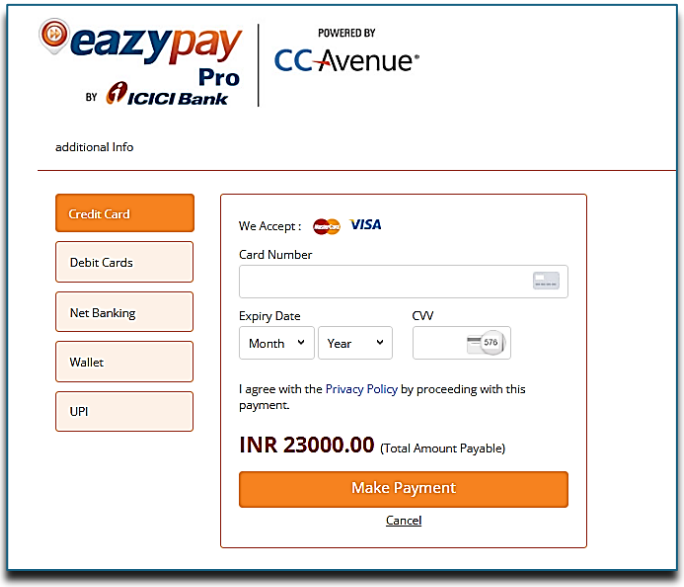
After confirming the payment by selecting "I Agree" and clicking on the "Make Payment" button, you will be redirected to the payment gateway page to complete the transaction.

You can choose from multiple payment options:

- ✅ Credit Card
- ✅ Debit Cards
- ✅ Net Banking
- ✅ Wallet
- ✅ UPI

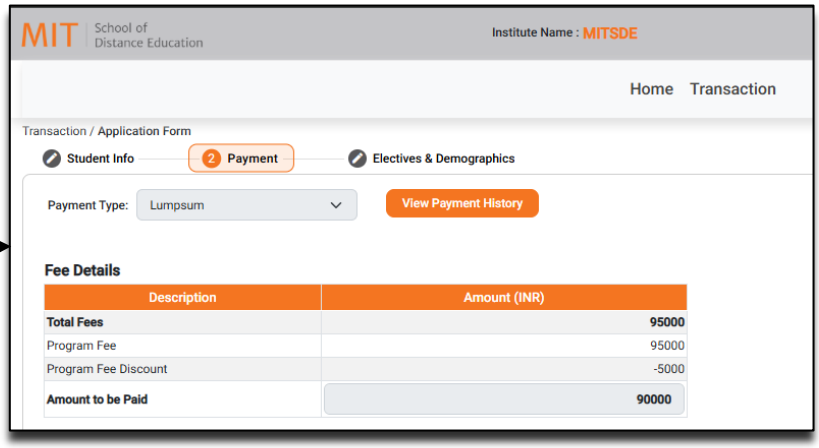
For Card payments, you must enter:

- Card Number
- Expiry Date (Month & Year)
- CVV (Card Verification Value)

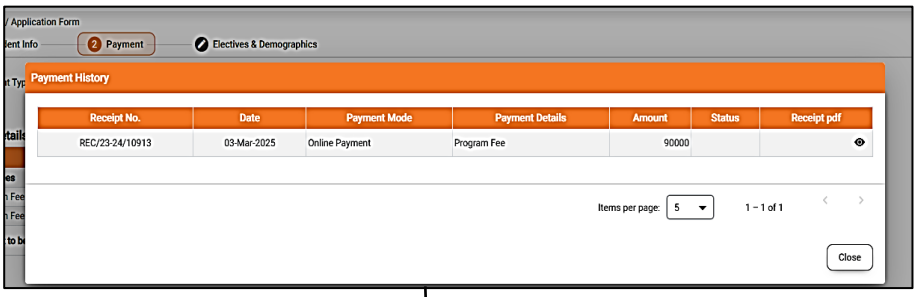


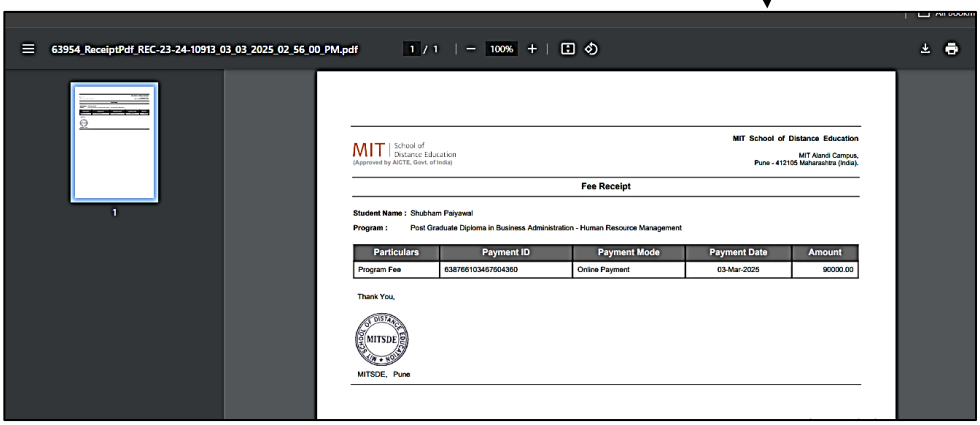
To complete the transaction, you must click on the "Make Payment" button.

After completing the payment successfully, you will be redirected to the **Payment Summary Page**, where you can view your payment details and access the **"View Payment History"** option.



You can click on "View Payment History" to see the details of the payment made. By clicking on the eye icon under the "Receipt PDF" column, the system will generate and display the payment receipt in PDF format.





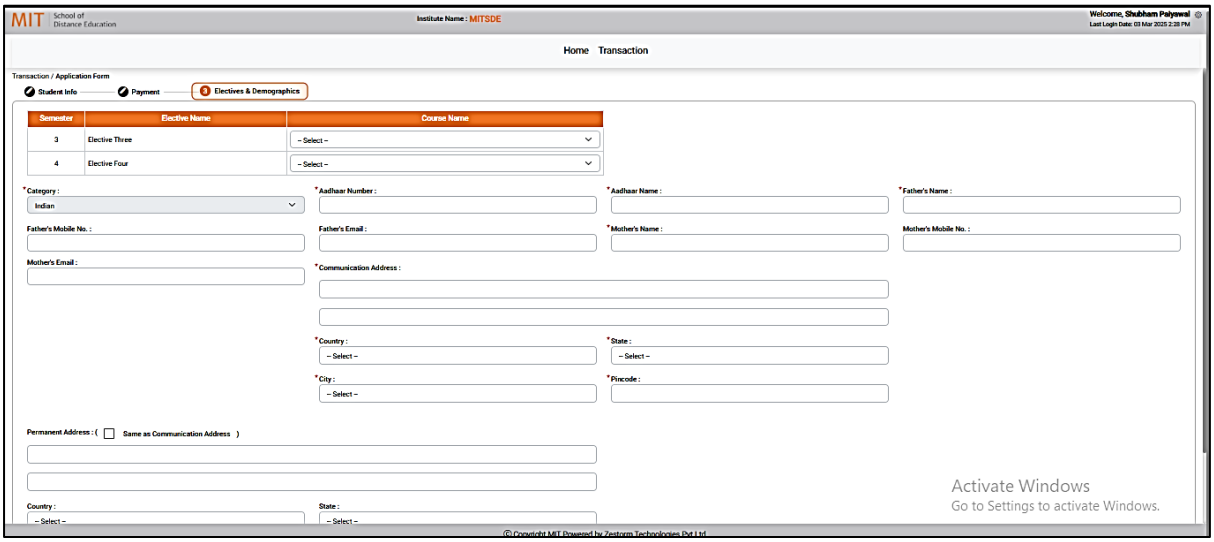
Step 5: Electives & Demographics Page

After completing the payment, you will be redirected to the Electives & Demographics page.
This step is crucial for finalizing course selection and providing demographic details.

Key Features of the Page:

1. **Elective Selection:**
   - You must select your elective subjects for the respective semesters.
   - A dropdown menu allows you to choose from the available options.

2. **Demographic Information:**
   - Category: Select category (e.g., Indian or others).
   - Aadhaar Number & Name: Mandatory.
   - Parental Information:
     - Father's Name, Mobile Number, and Email ID.
     - Mother's Name, Mobile Number, and Email ID.
3. **Address Details:**
   - Communication Address: You must enter your current address, including country, state, city, and pin code.
   - Permanent Address: An option is provided to mark it as the same as the communication address to avoid re-entering details.



Step 6: Employment Details

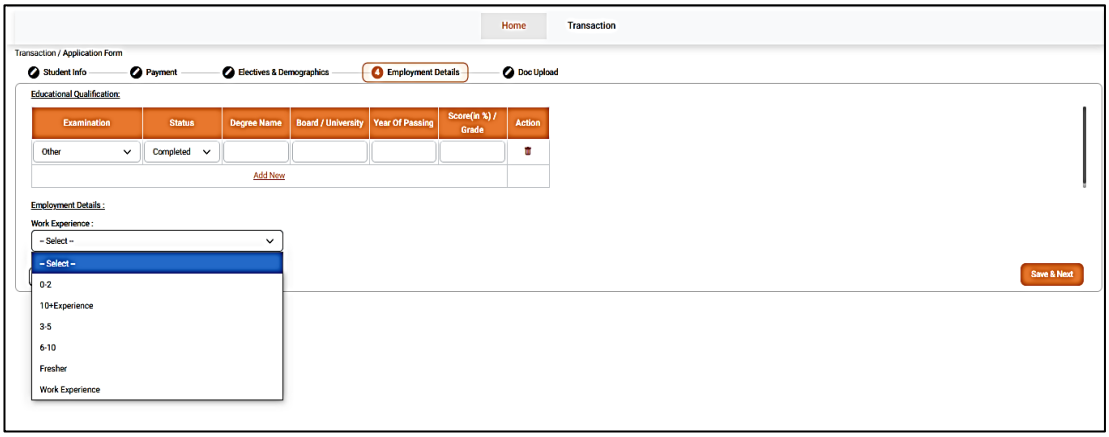
In this step, you will provide details about your educational qualifications and work experience.

Key Features:

1. **Educational Qualification:**
   - Select your examination type from the dropdown.
   - Enter details such as Degree Name, Board/University, Year of Passing, and Grade.
   - If you have multiple qualifications, click "Add New" to include additional degrees or certifications.

2. **Employment Details:**
   - Select your **Work Experience** from the dropdown menu.

If you are a **fresher**, selecting this option ensures that you are not required to provide previous employment details. You can proceed with your application without entering any job-related information.



Click "Save & Next" to move forward in the application process.

Important Notes:

- Ensure that the correct work experience category is selected, as it may impact eligibility and documentation requirements.
- If you have experience, be prepared to provide supporting documents if requested.

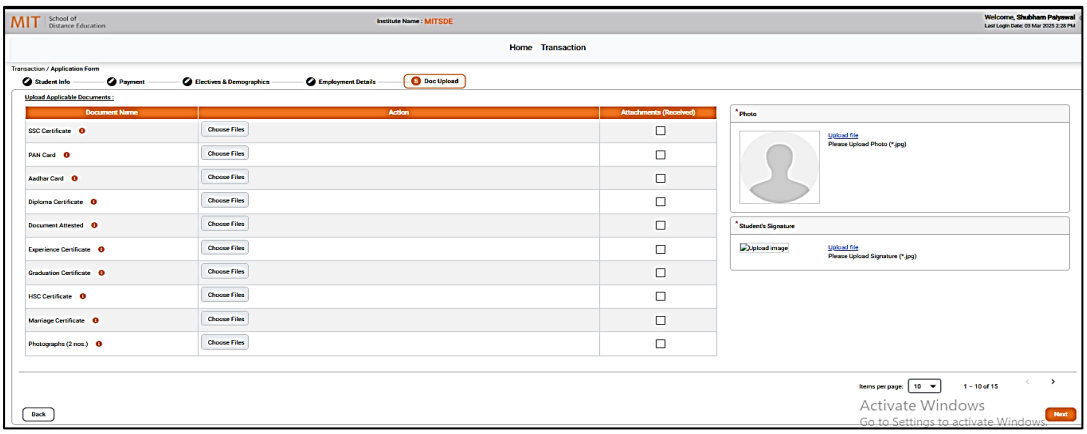
Step 7: Document Upload Page

On this page, you are required to upload the necessary documents as part of your admission process. The page consists of a list of applicable documents that you need to upload based on your eligibility and program requirements.

Key Features:

- A table displaying document names, upload actions, and received status.
- The "Choose Files" button allows you to upload the required documents.
- **The Photo and Student's Signature are mandatory and must be uploaded in JPG format only.**
- The right section of the page provides dedicated spaces to upload the photo and signature separately.
- Once all required documents are uploaded, you can proceed by clicking the Next button.

Important Note: Ensure all uploaded documents are clear and in the appropriate format to avoid any processing delays.



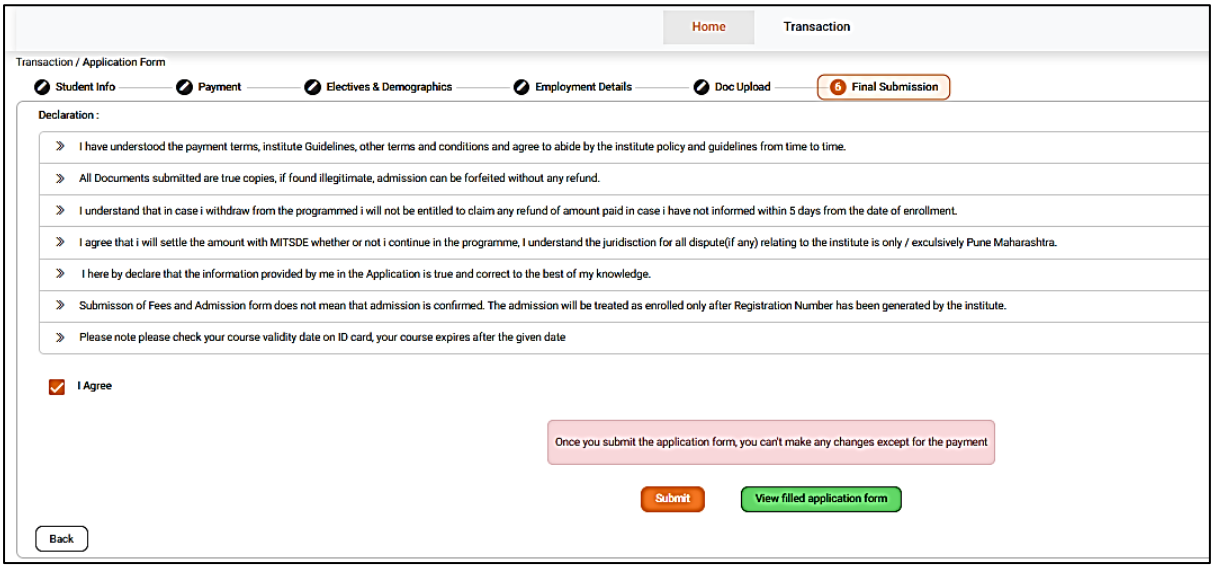
Step 8: Final Submission & Declaration

This is the final step in the application process, where you review and confirm your details before submitting your application form for admission processing.

Declaration Statements:

- You must read and agree to the terms and conditions outlined by MITSDE.
- The declaration includes important points regarding payment terms, institute policies, refund policies, and the authenticity of documents submitted.

Final Submission:

- You can click on "View Filled Application Form" to download or review your submitted details.
- You must check the "I Agree" box to confirm that you have read and accepted the declaration.
- Once you agree, your application form will be officially submitted for processing.


This marks the successful completion of your application process. Make sure to check your email for further updates on your admission status.
