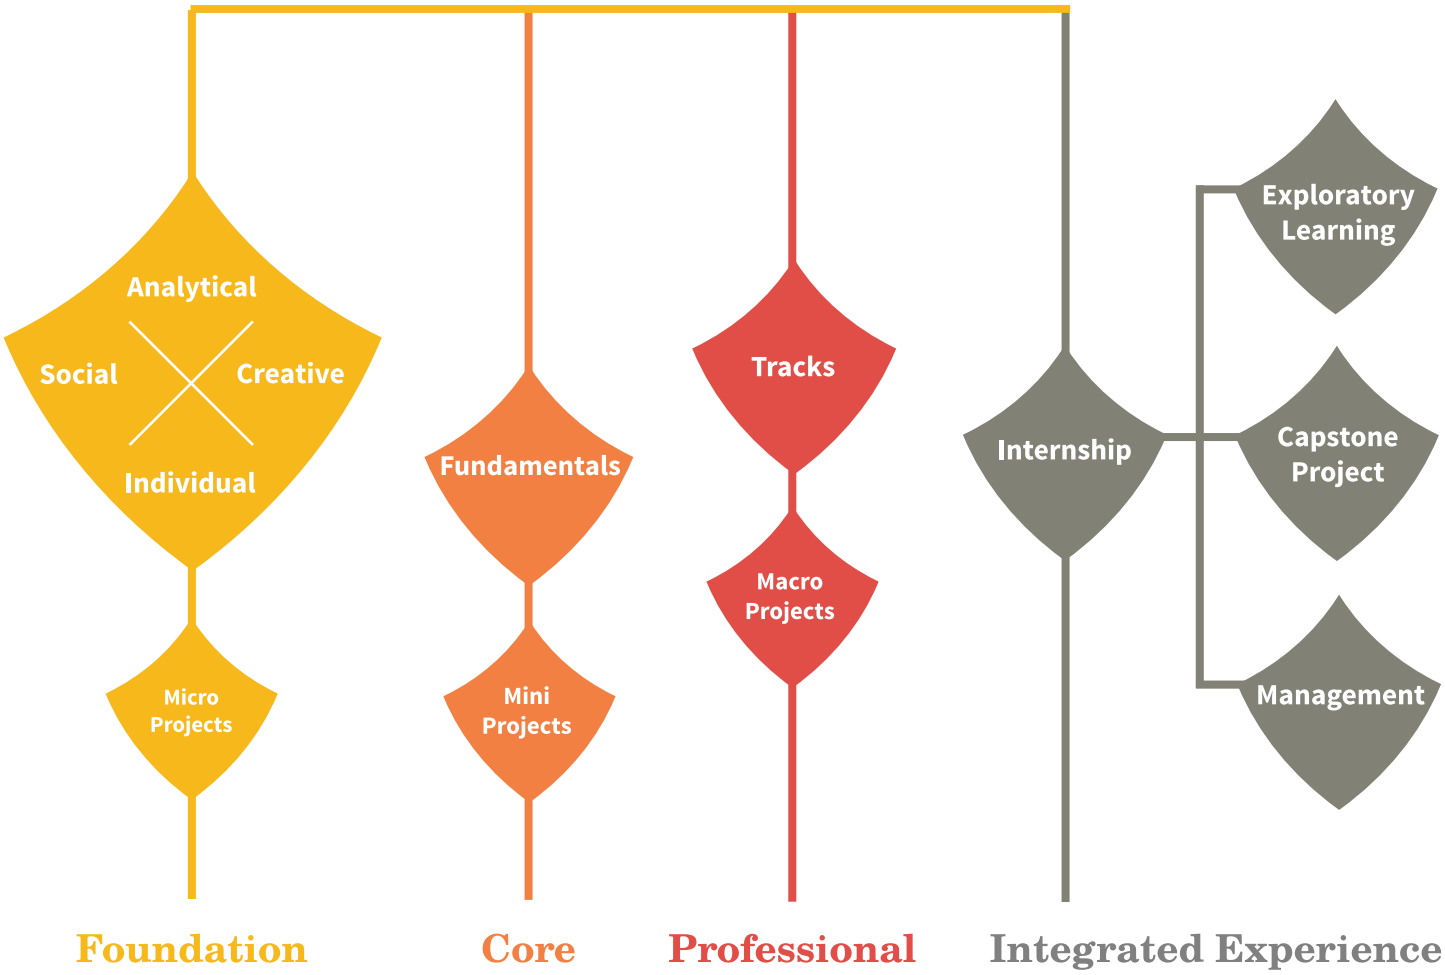
An MIT Pune Initiative

॥ सिद्धिः भूषयते विद्याम् ॥

avantika
UNIVERSITY

Academic Structure

The unique academic model at Avantika is based on an integrated cross-disciplinary approach that harmoniously blends design with technology on a solid foundation of liberal arts.



Industrial Design

1. Mathematical World | Physical World | Creative Arts | Designer's Toolbox | Reading Writing Listening Talking

History of Design - Curatorial Space

2. Digital World | Design Thinking | Critical Thinking | Body and Mind | Education and Philosophy

3. Storytelling | Manufacturing and Detailing | Joy of Creating: Form Exploration | Material and Immaterial Culture | Perception Psychology

4. Digital, CAD and Hand Prototyping | Senses and Cognition | Understanding Spaces and Structures | Individual and Society | Human Machine Learning

Introduction to Professional Tracks

5. Products | Spaces | Interaction | Experiences | Project Design

6. 2 Projects (Based on the above 4 Tracks)

7. Economics of Creatives | Project Management and Entrepreneurship | Internship, Exchange Program, Exploratory Learning, MOOCs, Additional Track

8. Capstone Project

- Foundation
- Core
- Professional
- Integrated Experience

Communication Design

1. Mathematical World | Physical World | Creative Arts | Designer's Toolbox | Reading Writing Listening Talking

History of Design - Curatorial Space

2. Digital World | Design Thinking | Critical Thinking | Body and Mind | Education and Philosophy

3. Digital Skills | Visual Language | Visual Thinking (Visualisation and conceptualisation) | Design Research | Perception Psychology

Joy of Creating

4. Illustrations through media | Senses and Cognition | Printing and New Media | Individual and Society | User Interfaces

Introduction to Professional Tracks

5. Universe of Brands | Experience and Interfaces | Environment | Physical and Digital Interaction | Project Design

6. 2 Projects (Based on the above 4 Tracks)

7. Economics of Creatives | Project Management and Entrepreneurship | Internship, Exchange Program, Exploratory Learning, MOOCs, Additional Track

8. Capstone Project

- Foundation
- Core
- Professional
- Integrated Experience

System Design

1. Mathematical World | Physical World | Creative Arts | Designer's Toolbox | Reading Writing Listening Talking

History of Design - Curatorial Space

2. Digital World | Design Thinking | Critical Thinking | Body and Mind | Education and Philosophy

Joy of Creating

3. System Thinking | Design Vocabulary - 2D and 3D | Material Culture | Computational World | Perception Psychology

4. Analysis and Interpretation | Motion and Deformation | Control and Optimization | Individual and Society | Human Machine Learning

Introduction to Professional Tracks

5. Connected World | Human Mobility | Habitat | Wellbeing | Project Design

6. 2 Projects (Based on the above 4 Tracks)

7. Economics of Creatives | Project Management and Entrepreneurship | Internship, Exchange Program, Exploratory Learning, MOOCs, Additional Track

8. Capstone Project

- Foundation
- Core
- Professional
- Integrated Experience

Who We Are

An MIT, Pune initiative, Avantika University is India's first design university, driven by the spirit of design thinking. It brings a unique academic model that blends meaningful design and technology disciplines. Based in Ujjain, Madhya Pradesh it aims to nurture and cultivate young minds who will function as enlightened citizens.

MIT, Pune was established in 1983 by Prof. Vishwanath D. Karad. Over its 3-decade journey, the MIT Group of Institutions has managed to craft a niche position for being a one-of-a-kind undertaking focused on value-based education. Statistically, the MIT Group nurtures to 50000+ students mentored by 3000+ faculty across 70+ institutes.

Admissions

Our multidisciplinary programs are designed to expose students to different perspectives on learning.

Here are easy steps to apply for Avantika

- Register Online
- Admission Form Submission
- Appear for All India Design Aptitude Test (DAT)
- Studio Test & Personal Interview
- Final Seat Allotment

Visit **www.avantikauniversity.edu.in/admissions** for more.

PROGRAMS OFFERED:

B.Des | M.Des

System | Industrial | Communication

B.Arch

B.Tech

CSE | ECE | ME | CE

Mentored by

MAEER's
MIT INSTITUTE OF DESIGN

Campus
Ujjain , Madhya Pradesh, India.
