Communication Design

Google Campaign

Campaign Creatives

avantika UNIVERSITY

SRV media

Campaign Creatives

avantika UNIVERSITY

SRV media

Campaign Creatives

1. We used the above creatives to run the Google Display & Remarketing Ads this week
2. The objective of using multiple creatives was to check the user engagement on the creatives and take the learnings forward to design better creatives which can bring more clicks.

Learnings from the Campaign

- We have seen a good engagement rate on the Facebook posts done with respect to “Communication Design”

- For Google display campaign, the creative mentioning about the Avantika like “First Design University "is getting more engagement than the others.

- The website of Avantika University got the maximum traffic from the organic source while the “Average time spent” was the highest for social traffic.
