About Digital Maven

Mission: To empower learners with future-ready digital skills

- A leading ed-tech institute for Digital Marketing, AI, and Data Analytics
- Focus on real-world, consulting-style learning
- Programs tailored for students, professionals, and businesses
- Training in 100+ marketing and AI tools
- Courses include Digital Marketing, Generative AI, and Data Analytics

MITSDE's Legacy

MITSDE (MIT School of Distance Education), founded in 2008 as part of the prestigious MAEER's MIT Pune, carries forward the vision of quality education laid down by Prof. Dr. Vishwanath D. Karad in 1983.

Over the years, it has grown into one of India's leading distance learning institutions, committed to shaping professionals who can thrive in a dynamic business world. Through its AICTE-approved Executive PGDM programs—MBA equivalent and future-focused—MITSDE bridges the skill gap with an industry-aligned curriculum and practical learning approach.

With specializations spanning Marketing, Finance, Human Resources, Operations, IT, Project Management, Construction, and Logistics & Supply Chain, the institute ensures learners gain not only academic knowledge but also real-world exposure and the expertise needed to accelerate career growth.

Our Core Values

Customer-centric

We prioritize learner needs and strive to deliver an exceptional educational experience.

Qualitative Learning

We focus on delivering high-impact, relevant, and practical education.

Accountability with Transparency

We operate with integrity, ensuring clarity and responsibility in every interaction.

Accessibility

We ensure flexible, inclusive learning for professionals across geographies and backgrounds.

Innovation

We embrace new ideas and technologies to enhance learning outcomes and experiences.

About the Program

Advance Your Marketing Career

Join India's leading 15-month PGDM Executive Program in Marketing, co-designed by MIT-SDE and Digital Maven. Voices of Leadership

At MITSDE, we envision marketing leaders who are both storytellers and architects of data-driven growth.
The Chief Digital Marketing Strategist Program is designed to meet this need—at a time when over 70% of roles demand creativity fused with technology and strategic insight.
With 150+ hours of guided learning, 30+ advanced tools, and hands-on projects, the program transforms professionals into full-stack marketers who can innovate fearlessly, lead with conviction, and create impact that drives business forward and defines the future of marketing.

Dr. Suhrud Neurgaonkar
Director, MITSDE

At Digital Maven, we blend the power of AI, data analytics, and digital marketing to shape future-ready professionals. In today's landscape, marketing success hinges not just on creativity, but also on data-driven, AI-powered strategies. Our mission is to equip learners with the skills to lead in this new era—combining generative AI, business intelligence, and hands-on experience with cutting-edge tools.
Join us to transform the way you market, lead, and grow in the digital age.

Srinivas Prabhu
Founder & CEO, Digital Maven

Welcome to the PGDM-Executive Chief Digital Marketing Strategist Program at MITSDE.
As Head of Academics, I'm proud to present a program crafted to elevate your marketing career and prepare you for today's dynamic business world.
Marketing leadership now goes beyond traditional roles.
Our "Full Stack Marketing" approach covers strategic planning, brand building, digital execution, analytics, customer experience, and project management—all in one integrated program.
Engage deeply, collaborate with peers, and learn from our expert faculty.
We look forward to being part of your success.

Prof. Bhagyashree Pande
Head of Academics
& Dean: International Relations, MITSDE

Capstone Projects & Sprint-Based Learning

Capstone Project: End-to-End Full-Stack Marketing Experience

Put your skills to the ultimate test with a real-world, 360° marketing capstone. You'll research your market, build customer personas, create AI-generated content, simulate ad campaigns, and analyze performance using industry-standard tools like Power BI, Meta Ads, and Canva.

Deliverables:

- A complete multi-channel marketing strategy
- A 15-slide pitch deck showcasing your journey from insight to execution
- Real tools. Real outputs. Industry-ready results.

Sprint-Based Learning Modules

Semester 1: Sprint 1 Digital Marketing Execution Sprint

Gain hands-on experience with tactical marketing tools and platforms. Learn by doing

- Market research & persona development
- Content calendars & portfolio website
- SEO blogs, Google Ads, Meta campaigns
- Email flows, marketing automation, GMB setup

Final Deliverable:
"Execution Playbook" – Your complete digital marketing portfolio

Semester 1: Sprint 2 Marketing Strategy Implementation Sprint

Move beyond execution—learn to think like a strategist.

- Map industry landscape & benchmark competitors
- Define UVPs, build TOFU–BOFU funnels
- Apply full-stack frameworks to scale campaigns

Final Deliverable:
"Scaling Strategy Toolkit" – Your guide to advanced marketing implementation

Semester 2: Sprint 3 Data-Driven Marketing Sprint Series

Adopt a data-first mindset with six powerful sprints focused on analytics and AI:

- Capture, clean & analyze marketing data
- Build predictive models with ML
- Design Power BI & Tableau dashboards
- Calculate marketing ROI, automate insights via Zapier

Final Deliverable:
"Marketing Intelligence Blueprint" – A data-backed decision-making framework

Learning Methods

Balanced Theory & Practice

A perfect blend of conceptual knowledge and hands-on application using industry-relevant tools.

Flexible Learning Model

Online, self-paced format designed for working professionals to learn anytime, anywhere.

Case Studies

Real-world business scenarios to enhance analytical and decision-making skills.

Group Projects

Collaborative assignments that encourage teamwork and practical problem-solving.

Capstone Project

A comprehensive, industry-focused project to demonstrate cumulative learning.

Individual Projects

Independent assignments to develop initiative and deepen subject expertise.

Application Process

- Fill Online Application Form
- Speak to Counsellor
- Onboarding & Orientation (Speak to Curriculum In-charge)
- Receive Offer Letter & Complete Payment
